In re Application of  
BERTIN et al.  
Application No. 09/588,617  
Filed: June 6, 2000  
Attorney Docket No. BUR9-1999-0264-US1

DECISION ON PETITION

This is a decision on the petition filed January 22, 2004, requesting that the holding of abandonment in the above-identified application be withdrawn.

The petition to withdraw the holding of abandonment is GRANTED.

A non-final Office action was mailed October 9, 2003, setting a shortened statutory period for filing a response. In the absence of a response, the application was held abandoned and a Notice of Abandonment was mailed January 14, 2004.

Petitioner asserts that an Amendment and Response was timely filed by facsimile transmission on January 9, 2004. To support the assertion, petitioner submitted 1) a copy of a response entitled "Amendment in Response to Non-final Office Action," 2) a copy of the Certificate of Transmission under 37 C.F.R. § 1.8(a) dated January 9, 2004 and 3) a copy of the sending unit's report confirming successful transmission of fourteen pages.

The review of the application file reveals that the response entitled "Amendment in Response to Non-final Office Action" was received and matched with the file. However, the response was not noticed by either the examiner or the technical support staff and consequently the application was held to be abandoned. The application is not abandoned in fact.

For the above reasons, the Notice of Abandonment is hereby vacated and the holding of abandonment withdrawn. Inconvenience to petitioner is regretted.
